How to skip count by twos

Circle the following object as you count by twos. Write the total of each set.

Review: To skip - count by twos, you add 2 over and over.

_____tomatoes

Let's circle two tomatoes at a time, and skip - count by twos to get the next number in the next group of tomatoes as shown below

_____8_tomatoes

2   4   6   8

+2   +2   +2

So, there are 8 tomatoes.

a. 4 maize

b. 10 cucumber

c. 16 chilli

d. 12 pumpkin

e. 14 cups

f. 8 berries

g. 16 onions
