

Name: Class:

Choose numbers with a particular sum, difference, product, or quotient

Pick out two numbers from the boxes below to complete the expression.

a.

2	24	10	60
---	----	----	----

$$\square \times \square = 1440$$

b.

17	27	53	11	95	39
----	----	----	----	----	----

$$\square + \square = 148$$

c.

3	63	81	72	9	35
---	----	----	----	---	----

$$\square \div \square = 9$$

d.

99	15	9	2	67	108
----	----	---	---	----	-----

$$\square - \square = 93$$

Name: Class:

Choose numbers with a particular sum, difference, product, or quotient

Pick out two numbers from the boxes below to complete the expression.

a.

2	24	10	60
---	----	----	----

$$\boxed{60} \times \boxed{24} = 1440$$

b.

17	27	53	11	95	39
----	----	----	----	----	----

$$\boxed{53} + \boxed{95} = 148$$

c.

3	63	81	72	9	35
---	----	----	----	---	----

$$\boxed{81} \div \boxed{9} = 9$$

d.

99	15	9	2	67	108
----	----	---	---	----	-----

$$\boxed{108} - \boxed{15} = 93$$
