

Name: ..... Class: .....

## Reasonable temperature - celsius and fahrenheit

Temperatures of interest	Celsius (°C)	Fahrenheit (°F)
Freezing temperature	0	32
Body temperature	37.0	98.6
Room temperature	20.0	68.0
Boiling point of water	100.0	212.0

Using the table above, tick the correct answers below.

1. What is the temperature of a boiling pot of meat?

 100°C 100°F

2. What is the temperature of an ice cream?

 32°F 98.6°F

3. What is the temperature of a normal human body?

 98.6°C 98.6°F

4. What is the temperature of a hot cup of tea?

 197°F 210°F

5. What is the temperature outside on a frosty evening?

 50°C 5°C

6. What is the temperature inside a normal room?

 66°F 12°F
